Section 1. The objective of the CAABC is to provide youth between the ages of 9 through 18 with a supervised program of competitive baseball games under the rules and policies of the American Amateur Baseball Congress (AABC).

Section 2. This federation's goal is to provide at least one team in each of the following AABC classifications

- (1) MICKEY MANTLE LEAGUE - 16U
- (2) SANDY KOUFAX LEAGUE - 13U&14U
- (3) PEE WEE REESE LEAGUE - 12U
- (4) WILLIE MAYS LEAGUE - 10U

- We believe in preparing your son for the game of baseball through the development of fundamentals.
- Winning, while crucial, comes secondary to skill development, mental toughness development, character, being a good teammate, and being coachable. We ask that parents remember that at all times.

- Playing time and positions are earned by being coachable, giving great effort, having a great attitude, and skill development. It is not purchased with the fee you pay for your son to be on the team. It is earned through his efforts. All kids will get and receive amply playing time, but it will never be considered "equal", even in our attempts to make that the case. All kids will play, as much as their attitudes, effort, and skill allow.
